Certificate of Conformance

Product Code: PGA01V100

Product Name: Cobalt Chloride Test Paper [Vial of 100 Strips]

Prior to release for sale all lots of Cobalt Chloride Test Papers are tested in accordance to established quality standards. Test results must be within specifications for the lot to be released.

Each test paper is sensitive to relative humidity conditions above 50%. The papers will turn pink in the presence of water vapor. The higher the relative humidity present, the faster the test papers react.

When stored properly (in a cool, dry place out of direct sunlight) the test papers are stable for a minimum of 2 years from the date of purchase.
