Astoria, NY 11103

## **CERTIFICATE OF CONFORMANCE**

Product Code: PGA04C20

Product Description: Ammonia Leak Detection Cloth

Lot Number: All lots

Expiration Date: As stated on product

This cloth has been immersed in an alcohol solution containing Bromothymol Blue and Phenolphthalein Indicators. The air-dried cloth will turn blue/green in the presence of ammonia.

Each cloth is packed individually in a re-sealable amber bag. Cloths should be stored in these bags when not in use.
